Inaugural REPORT ON

“National Level Work shop on Internet of Things”

A brief report on Inauguration Ceremony of Three day (31 Aug to 02 Sep 2018) FDP sponsored by RTU (ATU) TEQIP-III on National Level Work shop on “Internet of Things” program held at Poornima Insitution of Engineering & Technology Jaipur

On 31Aug 2018 a Three days Faculty Development Program (FDP) sponsored by RTU (ATU) TEQIP-III on **National Level Work shop on Internet of Things” program held at Poornima Insitution of Engineering & Technology Jaipur**

The objective of the workshop was to provide hands on practices to the participants on the aspects of development for any system on IOT.

The occasion witnessed the presence of Prof. (Dr.) Rajeev Gupta, Pro-Vice Chancellor, Dr Harish Sharma, Event Coordinator TEQIP-III, Dr. Sylvester Fernandes, Expert IOT as Guest Speaker, Dr. Om Prakash Sharma Director and other dignitaries.

Director, in his opening remarks welcomed all the guests and participants from various RTU affiliated institution form Rajasthan. He propogated the message of Honourable VC Sir that more and more colleges of RTU should get IOT Technology and should start imparting Quality Education to the students.

More than Sixty Five(65) participants Registered of the rank of Prof., Asso. Prof and Asst. Prof from various RTU affiliated Engg. Colleges participated in the **Three days FDP on “National Level Work shop on Internet of Things ”.**

Prof. Rajeev Gupta ,Pro-Vice Chancellor as a chief Guest of the day informed the house about the vision of RTU,Kota and TEQIP Program Initiated for all affiliated Engg. college, he further added that the faculties should pass on the knowledge to the students via seminar or workshop as soon as they reach to their parent organisation.

Dr. Harish Sharma Coordinator TEQIP-III, extended a warm welcome to all the participants and said that IOT is the need of the day in order to impart quality Engineering education. He added that the three days program of FDP is well planned and structured and every one will get maximum outcome each day.

Just after inaugural session Dr. Sylvester Fernandes, Expert IOT started his deliberation. In his opening remark he said that the need of the day is set a larger goal and run for it. The path may be difficult but you have to be smarter enough to achieve your goal.
