August 31-September 04, 2020

Under the One Week Faculty Development Program on “**Solar Energy Conversion and Storage**” sponsored by TEQIP-III, the Department of Applied Science, Poornima Institute of Engineering & Technology, Jaipur in association with RTU Kota organized various interactive sessions from 31 August, 2020 to 04 September, 2020.

This FDP was inaugurated by **Dr. Jyotirmay Mathur, Professor (Department of Mechanical Engineering, MNIT Jaipur) as Chief Guest and Dr. Dharendra Mathur, Professor & TEQIP-III Coordinator, (RTU Kota) as Guest of Honor on August 31, 2020.** All dignitaries and participants were welcomed by Dr. Lata Gidwani (Event Coordinator, RTU Kota) and discussed about the significance of FDP. After that Dr. Dinesh Goyal, Principal & Director PIET gave a brief introduction about institute progress with briefing of program. Then chief guest Prof. (Dr.) Jyotirmay Mathur, MNIT Jaipur and the guest of honor Dr. Dharendra Mathur, TEQIP-III coordinator, RTU Kota enlighten all with their words of wisdom.

During the event, fifteen sessions were delivered by renowned resource persons from academic and professional fields who witnessed the eminent presence of Ar. Rahul Singhi, Co-Founder Poornima Foundation, Dr. Dinesh Goyal (Director, PIET), Dr. Gautam Singh (Proctor & Host Institute Event Coordinator, PIET), Dr. Sama Jain (Head of the Department of Applied Science). It included the topics like Global Renewable Energy Scenario; Solar Thermal Technologies to Meet Energy Demand; Solar Photovoltaic Systems; Solar Thermal Energy Storage Systems; Composite Materials for Solar Technology; Role of Artificial Intelligence in Solar Energy Conversion Systems etc.

In this FDP, we received around 400 registrations across all over India from which we witnessed 100 participants on Zoom and rest joined the sessions on Poornima Facebook page. All sessions were highly connected to the theme and very informative and beneficial to all participants.

One week Faculty Development Program ended with the valedictory session which included Dr. Lata Gidwani (Event Coordinator, RTU Kota), Dr. Gautam Singh (Host Institute Coordinator); Poornima management, participants and faculty members of the institute. The organizing team thanked the resource persons and the participants through the vote of thanks proposed by Dr. Dinesh Goyal (Principal & Director, PIET Jaipur). He thanked the RTU Kota management and management of Poornima Group for making this event as a grand success by providing all the resources for the smooth conduction of the program. Later, he thanked the supporting faculty members also for their utmost support since the beginning of the program to its end. The program came to its conclusion with specific announcements related to certificate to the participants.
