Annexure A

Areas of Collaboration - Initial scope of engagement between Poornima Institute of Engineering & Technology and Celebal Technologies Private Limited

- I. Upskilling of students** - The industry-connect which will enable us to increase our literacy, technical skill & supervisory skill. Enhancing the personality development aspect of an individual through soft skills, **learning** modules of various latest technologies, through the technical curriculum specially designed for Computer, Electronics & Communication Engineering, students by subject matter expert (SMEs) of Celebal Technologies, through Workshops, Guest Lectures, SDP's etc.
- II. Faculty & SMEs supports** -. Giving a chance to the Faculty (Trainers) to have an interaction with SMEs of Celebal Technologies to enhance their employability by learning latest technologies and giving them actual industry flavor of today. The training of Faculty members could be in one of the following form:
 - **Short Term Faculty Development Programs:** can be conducted in the premises of First Party.
 - **Long Term Faculty Development Programs:** can be conducted in the premises of Second Party.
- III. Recruitment support-** Celebal Technologies would help the best students from different branches that have been enrolled in their learning modules with the recruitment aspect on merit basis.
- IV. Infrastructure consultancy-** Consultancy support from Celebal Technologies on how the quality of infrastructure for different technical labs can be increased and brought to the level of industry acceptance.
- V. Recruitment and training of faculty-** The subject matter experts can be made available to train the faculty of the college on certain new industry practices. We may also help the college for getting the best in class faculty recruited for them.
- VI. Industrial training and visit** – A Industrial visit would be organized for the students of Poornima Institute of Engineering & Technology
- VII. Consultancy for developing Center of Excellence** – Aiming to bridge the academia-industry gap, Celebal Technologies Pvt. Ltd. would help a college come up with a Center of Excellence on varied topics in which we have expertise in. It would benefit the students to learn about the nuances faced during actual working in the industry.
- VIII. Branding of Partners:** Aiming to promotions, both parties can brand each other through various mediums including websites, social networking etc.
