POORNIMA
BUSINESS INCUBATION CENTRE

Poornima Business Incubation Centre (PBIC) is the venture arm of **Poornima Institute of Engineering & Technology (PIET)** nurtures and fosters incubation of start ups. It is an incubation centre for start-ups whose objectives are to cultivate and promote entrepreneurship among talented youth, students and experienced alike. Anyone with an idea and unflinching determination to give it a shape is an ideal candidate to associate with PBIC. Poornima Business Incubation Centre (PBIC) is set up to promote innovation and entrepreneurship by converting and translating technology ideas and innovation in various disciplines of science and engineering into products, processes and services for commercial exploitation and for the benefit of society. PBIC offers incubation facilities and services to prospective entrepreneurs to turn their innovative ideas into commercially viable products. PBIC provides certain facilities like physical infrastructure and support systems necessary for business incubation activities, Services such as training or High- speed Internet access, links to higher education resources, accounting and financial management etc. It facilitates networking with professional resources, which include mentors, experts, consultants and advisors for incubates. PBIC also conducts events like entrepreneurial talk series, workshops, open pitches and seminars to offer a good interface and visibility in the region. **Poornima Institute of Engineering & Technology** has been supporting the new budding Entrepreneurs since 2014 through a club which is known as E-cell and which is now working in coordination with PBIC.

Structure of PBIC

Dr. Purushottam Lal-Coordinator

Dr. Budesh Kanwar -PBIC Co-Coordinator

Details of Facilities.-

Physical infrastructure:

- Fully furnished Office Space
- Shared resources: Meeting rooms, Conference rooms.
- Office productivity equipment: Fax, Photocopier, Printer, Scanner, Projector
- Lab: PBIC Lab with Equipment and software tools, Facilitation for access to PIET Labs

1. Local Eyes

- Hyper-Local Social Community Platform
- People can Ask, Answer and Share Anything and Everything about their locality
- an online digital space for people to interact with each other

- get connected with deserving small Local Businesses

is a Hyper-Local Social Community Platform that connects People with Locals so that they can Ask, Answer and Share Anything and Everything about their locality from the people who are actually living there. This creates an online digital space for people to interact with each other within their locality, get connected with deserving small Local Businesses, and create a friendly, connected neighbourhood community. Its team consist of Yuvraj Dagur and Aryaman Pachauria.

2. **AuxiciuX Consultancies**, founded by Abhinav Tiwari and his team on 10th August 2021, provides solution to various problems. They provide solutions to people, individuals, firms, companies etc. The core team includes Dhruv Sharma, Samar Nalme, Shagun Pareek and Khushi Khandelwal.

3. **Techno build Private Limited** offers software based solutions and related services like website development, application development, data management, BIG data API services, etc. just to name a few. It was founded by Abhishek Parihar.

4. **Pie Star Interactives Studios:**

- an IT consultancy firm
- Provides software solution & technical assistance like website development, App development, etc.

Start-up is an IT consultancy firm which provides software solution & technical assistance like website development, App development, etc. It holds a start-up idea under its umbrella which is still in development phase and would be launched soon. The core team consist of Parv shara, Vikas Sharma, and Sejal Rai.

4 Kanha Ji Handicrafts –

- Laser prints and products
- work on wood and MDF board
- models of the temples, antique wooden products

Kanha Ji Handicrafts is about the laser machine and its products. Basically we work on wood and mdf board for now, and on working models of the temples, and also on the antique wooden products which is rarely available in our current market. It is founded by Gaurav Prajapat.

6. **Bread N Butter** is a Tech based start-up, which is divided into two basic units. One unit is responsible to handle Client side contract based development projects. Another unit is working to blossom company's own products. Bread N Butter Tech Incorporated is the parent company, under which we launched our product Gamboll (Child) in March 2020 in stealth mode, and the other one in Oct 2020 in the very same genre. Its team consist of Rohan Talwadia and Nitesh Sharma.

7. **Bech Do(OlxTech)** is a total marketplace where the seller would be a common man, where he/she can sell his/her things with proper bill and the buyer can purchase those things on EMI. All the banks would be made available on the platform so the buyer/seller can buy/sell conveniently.

8. Book of Youth

- a Social Community Platform that connects the youth
- platform where people can share anything from their life
- we aim to create a safe space for the young individuals to share their thoughts, experiences and struggles

is a Social Community Platform that connects the youth from around the globe with people like them. It is a platform where people can share anything from their life that has made an impact on their life and turned them into who they are today. With Book of Youth, we aim to create a safe space for the young individuals

to share their thoughts, experiences and struggles. The team includes Priyanshi Goyal, Ankit Khemani, Jayesh Mishra

9. **Digital Darzi** -: Simplifying Print On Demand Dropshipping. We work in the Printing Sector and print everything from T-Shirts to Caps. We have developed a platform where Young Entrepreneurs can come up with their new designs and create their own stores. We then put it up on a Merchandise and create a mockup. The mockup is then Marketed Socially and when a customer buys the product, we Print and deliver it to the customer.
