## **A Report on Career Fair 2016**

### **Academic Session 2015-16**

**(March 18-19, 2016)**

Poornima Institute of Engineering & Technology, Jaipur (PIET) has taken a great initiative for the benefits of the students of different branches by providing a platform to get a chance to know the requirements of industries and show their skills. A good effort is made by the college to fill the gap between industrial demand and student's skills. The college has organized Career Fair 2016 for the engineering students at its campus. This type of Career Fair is the first of its kind in Poornima Foundation. The two days Career Fair was organized on March 18-19, 2016. In all, 8 national and regional organizations participated in the Career Fair to provide an employment opportunity to more than two hundreds of students. The Career Fair was held specifically for the students of Computer Engineering, Information Technology, Electronics and Communication Engineering and Electrical Engineering branches. The candidates of B. Tech. 2016 batch with throughout 60% in their 10<sup>th</sup>, 12<sup>th</sup> and B. Tech. were eligible to appear for the Career Fair.

The recruiting companies included Appcino Technologies Pvt. Ltd., Gempulse Infotech Pvt. Ltd., Arka Softwares & Outsourcing, Neerja Software, NOTO Solution Pvt Ltd, Technocrab Solutions, Round About Technologies and Geeta Electronics.

Based on the performance of the students in aptitude test, group discussion, technical interview and personal interview conducted by the respective companies they were recruited in to the companies. 49 students were shortlisted and 12 students got the placement in few organizations. Final result of few of the organizations is still awaited.

Industry Institute Interaction 2016 was also organized on this occasion. Views of various experts from the industries were taken and discuss to bridge the gap between industry and academics. An opportunity was given to pre-final year students to discuss with industry experts about their summer internship program.
