## **Second Industry Institute Interaction-2015**

The Second Industry Institute Interaction-2015 was organized by the Department of Electronics and Communication Engineering, Department of Electrical Engineering, Department of Civil Engineering and Department of Mechanical Engineering of the four institutions of Poornima Foundation on Saturday, April 04, 2015 at Poornima Institute of Engineering & Technology, Jaipur. The event was on a very pertinent theme "Discussion on bridging the gap between Industry and Academia", which for long have been operating in separate domains, are rapidly inching closer to each other to create synergies. The event aimed at bringing together all the stakeholders Delegates from industries, Management of Poornima Foundation, Head of Academics, Faculty members and Students to discuss the dimensions of Industry Institute Interaction today and exchange ideas, practice and experiences on different aspects of Industry-Academia integration.

The event has been started with the Project Exhibition. The exhibition housed display of more than 120 best projects from all the four institutions of Poornima Foundation. These projects were evaluated and reviewed by the industry experts during the exhibition.

Issues related with students, faculty and institute were discussed during the interaction including Expert Talks, Industrial Visit, Summer Internship, Problem Based Projects, Industry Sponsored Projects, Innovative Projects and Research. The delegates from various industries emphasized on Practical approach of the projects. A common understanding was made for joint mentorship program and new strategic partnership.

The important outcome of the Industry Institute Interaction was bringing policy makers, academicians, practitioners and main stake holders – Students on a common platform to discuss on issues relating to the theme "Discussion on bridging the gap between Industry and Academia". Besides deliberations held on diverse related topics by experts, research papers were also presented by students, Projects were also demonstrated on the occasion.

More than 25 delegates from 15 distinguished organizations were participated in the Second Industry Institute Interaction-2015.
