INSTITUTE OF ENGINEERING & TECHNOLOGY

**Mock Drive Report (5th A)**

**18/8/2018, 7/9/2018**

**MS. Meenakshi Dixit**

**(Event Cordinator)**

## **Objective**

To enhance the skills of students like, taking different challenges, self confidence, personality development, improve communication skills, as well as vocabulary, team work, coordination among them and to reduce fear.

One can create new world with his ideas and innovations. A civil engineer can create many ideas with which can serve as betterment of society. So an engineer require certain skills to developed which help in all these work such as team work ,thought process, quick decision ,taking challenges for betterment of society, creativity, positive thinking etc.

## **Expected Results of the Activity**

By this activity student got the proper knowledge about the selection procedure of various companies. Also they got the ideas how to represent you in front of anybody or everybody, and applying the theoretical knowledge in their real life with presence of mind.

## **Instructor**

**Meenakshi Dixit**

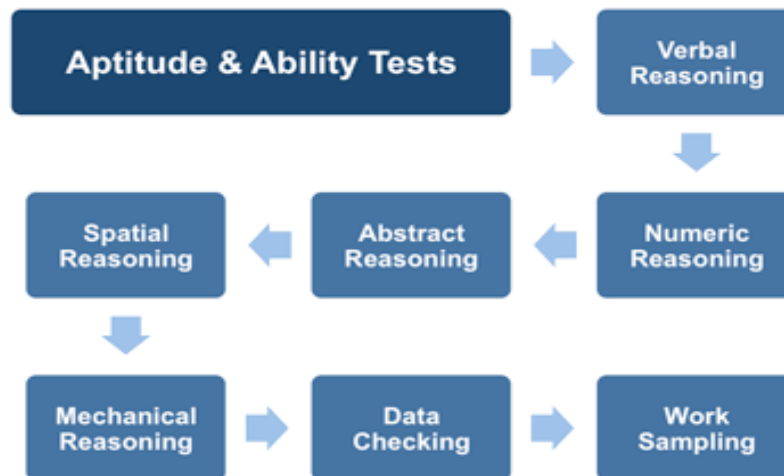

**Post – Assistant Professor & Tutor of 5<sup>th</sup> Semester**

## **About activity**

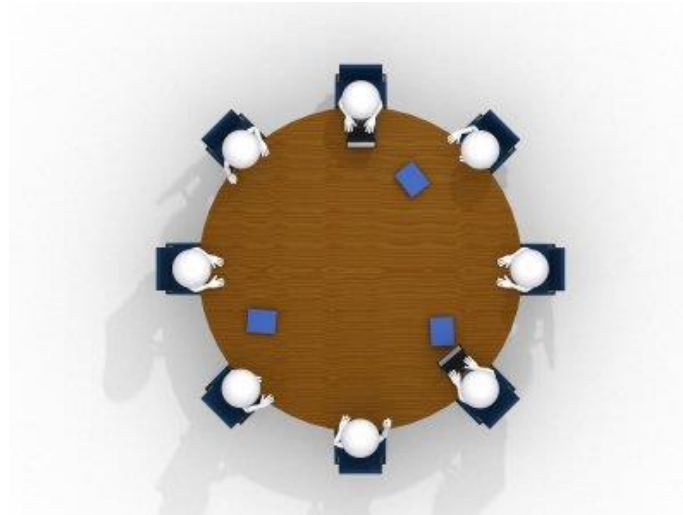

On 8:00 AM- 11 AM,11:45 AM-2:30 PM

18/8/18, 7/8/18,

1) **Aptitude Test:-** Aptitude and ability tests are designed to assess your logical reasoning or thinking performance. They consist of multiple choice questions and are administered under exam conditions.

2) **Group Discussion:-**

We had an activity of group discussion took place in 5<sup>th</sup> –A Civil department. There was different topics of group discussion were there. In the class 41 students were divided in 4 groups. The rules and instructions were like student has divided in 4 groups. Each group consists of 10 students. One particular topic was given to the students and they have speak on that

particular topic. 5 minute preparation time was given to the each group. After preparation, students had to speak for 10 minutes on that topic. The concept of group discussion is to improve the communication skills of students and know how to work in a team.

3) **Personal Interview (HR)**- This round of activity helped students in creating and editing their resume, also they prepared for non technical questions and their personality test was done.

4) **Personal Interview (Technical)**:-In this round students were evaluated on the basis of their technical knowledge of Civil Engineering.

**A=8**

**B=14**

**C=22**

### **Participants**

The activity was well carried out. There was full of excitement as well as enthusiasm among student of civil “A” section 5<sup>rd</sup> semester 3<sup>rd</sup> year. There were 45 student’s participants and 1 faculty member who organized and carried out this activity.

In which 8 students were very good in communication skills and 14 students have mediate knowledge and 22 students have to improve their communication skills with technical as well as non technical knowledge. Many of them have to do hard work on their soft skills and they have to improve the medium of communication.

### **A brief description of Activities**

Activity is totally driven by students of 3<sup>rd</sup> & 4<sup>th</sup> year, civil branch. This activity was conducted for 5 hours.
