INSTITUTE OF ENGINEERING & TECHNOLOGY

Activity on English-Vinglish(Yuva Sabha)

17th October 18

Organised by

DEPARTMENT OF CIVIL ENGINEERING, PIET CAMPUS

Event Co-ordinator

Sandeep Sukhwal

Asst. Professor

PIET

Introduction

Yuva Sabha is an event organised by students of “5th A”, which aim to put out the hidden talents of the youths. It gave full free opportunity to the youth to prepare for any activity of their interests and perform it on the stage. The activity can be anything focusing youth to increase their talent.

Objective

1. To enhance the skills of the youth.
2. To remove the stage fear of the youth.
3. To enhance skills of listening, maintenance, and respect towards others.
4. To increase knowledge of history, traditions, and various other knowledge except syllabus.

Expected Results of the activity

The activity organized by the department for developing habit of youth to speak in front of peoples (audience). By this activity the hidden talent of various students came to know. The students who have stage fear, they are now able to speak in front of audience. This activity improves the various capabilities of the students.
