A Report on Industry Expert Lecture/Seminar

Objective: To familiarize students with current industry scenario

Target Students: II Semester Civil Engineering

An industry expert lecture was organized for the students of II Semester, Civil Engineering on February, 16 2019 (Saturday). The session was taken by **Mr. Vijay Kumar Galav, J.En.** He is a Civil Engineering Graduate in 2011, then worked for Highway Construction (NH-58) in Muzaffarnagar, UP between 2011-13 and presently working as J.En. In Jaipur Development Authority, Jaipur. This interaction was based on various aspects of Civil Engineering and its prospects. He cleared various doubts of the students on Civil Engineering, its subdivisions, career opportunities in numerous arenas.

Outcome of the session:

By this interactive session, Students learned about skills required by a civil engineer, job opportunities, how to plan own setup, importance of communication skill, logical thinking, aptitude skills etc.

The session was ended by question answer session followed by mock interview in which students performed both as candidate as an interviewer. The overall session was highly motivating for students.

Mr. Arshad Ali
