Department of First Year, II Semester, 2018-19 A Report on Workshop on Traffic Rules and Road Safety Awareness

Objective: Spread Awareness among student on Traffic Rules and Road Safety

A workshop on traffic rules and road safety was conducted on Friday 5 April 2019 for all students of II Semester, B. Tech. by the trainer members of Cii Yi Yuva Foundation associated with Mash Foundation working in Mumbai, Delhi, Bangalore, Jaipur and Kolkata. The associated resource personnel from the Cii Yi Yuva Foundation were Mr. Atin Jain (Head, Yi Yuva Foundation), Mr. Mangesh Raut (Workshop Trainer), Mr. Prabhu (Member, MASH Foundation)

Session Briefing:

It was a training of about 90 minutes where student were briefed about the various traffic rules that ought to be followed in order to maintain safety on the roads. Around 150 students from all sections participated in this workshop. They were encouraged to follow the rules because the slightest mistake on the road can lead to a fatal accident. The students were told how they must follow rules while cycling. Common and careless mistakes committed by people were described in the session. Students were told about the basic differences between Accidents, Emergency, and Disasters. He also discussed about different types of accidents in India along with statistics and various types of road safety measurements.

The next part of workshop was focused on First Aid in which students were trained about basic first aid methods at different situations like accidents, insect biting, pet biting, cardiac troubles etc. More emphasis was given on the topic **CPR** by which life of cardiac attacked patient can be saved. The students were also told about **Good Samaritan laws** which offer legal protection to people who give reasonable assistance to those who are, or who they believe to be, injured, ill, in peril, or otherwise incapacitated.

Several videos were shown to the students to reinforce the information shared. They understood the consequences of over speeding, signal jumping, carelessness, not using the seat belt or wearing a helmet, the use of a mobile phone on the road and many other unlawful practices on the road.

Student Feedback:

The overall workshop was very informative and engaging for students. The information given to these students will definitely help them in their life for betterment of society.
